

WHEREAS, THE GEM REALTY CO., INC. and HILLCROFT INVESTMENT CO., hereinafter referred to and identified as "Owners", are the owners of various tracts of land situated in Harris County, Texas, said tracts of land comprising all of the land which has been subdivided as PARKWEST, SECTION 2, a replat of Blocks 78, 163, 164, 165, 166, 67, 167, 168, 169, 171, 172, 173, 174, 176, 177, 178, 179 and 180 and a partial replat of Blocks 170 and 175 in Westbury, Section 5, which said replat has been filed for record under County Clerk's File No. 61990-A, Plat Records of Harris County, Texas; and

WHEREAS, it is deemed to be to the best interests of the above described Owners and of the persons who may purchase lots described in and covered by the above mentioned replat that there be established and maintained a uniform plan for the improvement and development of the lots covered thereby as a highly restricted and modern subdivision.

NOW, THEREFORE, we, OWNERS, do hereby adopt the following covenants and RESTRICTIONS, which shall be taken and deemed as covenants to run with the land and shall be binding on Owners and all persons acquiring title under it until January 1, 1984, at which time said covenants, conditions and restrictions shall be automatically extended for successive periods of ten (10) years each unless and until by duly recorded instrument signed by a majority of the property owners in said addition it is agreed to change said covenants, conditions and restrictions, in whole or in part.

If Owners, or any of their respective successors or assigns, shall violate or attempt to violate any of the covenants herein, it shall be lawful for any other person or persons owning any of the real property situated in the above referred to subdivision to prosecute any proceedings at law or in equity against any person or persons violating or attempting to violate any such covenants and either to prevent him or them from so doing or to recover damages or other dues for such violation.

Invalidation of any one of these covenants by judgment or court order shall in no wise affect any of the other provisions hereof, which shall remain in full force and effect.

(a) No lot shall be used except for residential purposes. No structure shall be erected, altered, placed or permitted to remain on any residential building plot other than one detached single-family dwelling not to exceed one story in height and a private garage for not more than two cars.

(b) No building shall be erected, placed or altered on any building plot in this subdivision until the building plans, specifications and plot plan showing the location of such building have been approved in writing as to conformity and harmony of external design with existing structures in the subdivision, and as to location of the building with respect to topography and finished ground elevation, by a committee composed of IRA BERNE, GERALDINE DURMAN and I. MARK WESTHEIMER, or by a representative designated by a majority of the members of said committee. In the event of death or resignation of any member of said committee, the remaining member or members shall have full authority to approve or disapprove such design and location, or to designate a representative with like authority. In the event said committee, or its designated representative, fails to approve or disapprove such design and location within thirty days after said plans and specifications have been submitted to it, or, in any event, if no suit to enjoin the erection of such building or the making of such alterations has been commenced prior to the completion thereof, such approval will not be required and this covenant will be deemed to have been fully complied with. The duties and powers of such committee, and of its designated representative, shall cease on and after ten years from date. Thereafter, the approval described in this covenant shall not be required, unless, prior to such date and effective thereon, a written instrument shall be executed by the then record owners of a majority of the lots in this subdivision and duly recorded appointing a representative or representatives, who shall thereafter exercise the same powers previously exercised by said committee.

The committee constituted under the terms of Paragraph (b) hereof may require the owner of any vacant lot to build, install and complete sidewalks on such vacant lot pursuant to the above and each such owner shall be required so to do immediately upon receipt of notice in writing from such committee.

(d) No residential structure shall be erected or placed on any building plot which has an area of less than 7,000 square feet or a width of less than 60 feet at the front building setback line.

(e) No noxious or offensive trade or activity shall be carried on upon any lot nor shall anything be done thereon which may be or become an annoyance or nuisance to the neighborhood.

(f) No trailer, basement, tent, shack, garage, barn or other outbuilding erected on the tract shall at any time be used as a residence, temporarily or permanently, nor shall any structure of a temporary character be used as a residence.
